

# Empower yourself by knowing your body.

Health screening can help detect problems before the symptoms show.

Screening allows you to prevent certain diseases, or greatly increases your chances of treating them successfully.

The National Cancer Society of Malaysia provides a one-stop health and cancer screening centre for men and women of all ages.

Don't wait till it's too late. Call us for an appointment now at 03-2698 7351.

Preserve your health  
today for a better  
tomorrow

**DON'T WAIT,  
GET SCREENED**
